Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Evidence based plans were developed for all students at risk of not meeting NMS in Literacy in 2014. Strategies that were outlined in these plans were fully implemented.

- A whole school approach to the teaching of reading and writing was developed. This was supported with appropriate staff training and resources.

- An ongoing cycle of data collection and monitoring of individual student progress. This data was then used to inform teaching cycles
